

# Summer Course

22 - 26 JULY 2018 | BANDUNG, WEST JAVA

# *Bandung*

Bandung is the capital city of West Java, and the third largest city in Indonesia after Jakarta and Surabaya. Nicknamed Parijs van Java (Paris of Java) by the Dutch for its resemblance to Paris and European atmosphere back in colonial times, Bandung also earned another nickname as the Flower City since Bandung used to have a lot of flowers.

Today's Bandung is a sprawling city of 2.7 million people yet Jalan Asia-Afrika, the former Grote Postweg, still remains as one of Bandung's main thoroughfares and connects together the alun-alun (city square) with many of the city's colonial landmarks.

## *Program Description*

International Thematic Camp @SIS is 4 days course based on Project. All through the project, students are expected not only to make a plan but also design, solution and fieldwork with themes of e-tourism, community development, services, mobility, welfare and user experience, innovation, education system and others. The summer school will begin on Sunday, 22 July and close with an exciting one-day presentation on Thursday, 26 July. There will be a mix of lectures and hands-on work, with presentations in the morning, followed by practical development sessions in the afternoon.
